1. Windows .
2. " ".
3. " " "( ).
4. ERROR " ". !!! ERROR " " . , " " . Notepad++.
5. " ", Windows Logs.
6. .

A screenshot of the Windows Event Viewer application. The left pane shows a tree view of logs. The right pane displays the Application log with several entries. A red box highlights the last entry, which corresponds to the error message shown in the Notepad++ window below. A search dialog is open over the log viewer, with the text 'Блокировка' (Blocking) entered in the 'Find what:' field.
